

Become a “Friend of the Annapolis Royal Library”

The Association of Friends of the Annapolis Royal Library invites all library users and supporters to join our Friends group. Our goals are 1) to raise awareness of our Library’s services in the local community and at the Town and County government levels, 2) to identify and raise funds for special projects to enhance the current operation of our library, and 3) to advocate for increased space and equitable funding for the growth of our very successful and busy library branch.

A major goal of the group is to raise funds for special projects for our library. So far we have updated the front desk layout and computer equipment, purchased coverings for all of the library windows, long-term storage space and a reading chair for the children’s area and produced library signage. We also present an annual winter speaker series at the library, called “An Afternoon with Friends”. An ongoing goal is to make the community and the relevant organizations aware of the services provided by our library and its need for increased space to offer programs. Watch for our meetings notices and updates on our Friends Bulletin Board opposite the Library entrance door.

To join the “Friends of the Library” just complete the Membership application below. All “Friends” are entitled to participate in our regular meetings and our various projects and fund raising activities. For further information please call 532-0856.
