### **Kentville Library is Moving**

**Kentville, Nova Scotia:** The Kentville Library is moving! A long-anticipated move for the Kentville Library is now in the works. The last open day of the Kentville Library in the current location, 95 Cornwallis Street, will be Saturday, August 6th.

The library will be closed August 7th through to the 14th. In order to continue to serve the Kentville area, Annapolis Valley Regional Library (AVRL) will operate a smaller, temporary library while renovations to the new space in the former United Church at 440 Main Street are being completed. Anticipated re-opening of the "Kentville Lite" Library in an alternate location will be Monday, August 15th. Further details about this location will be forthcoming.

There will be no overdue fines charged on items due during the closure period. The bookdrop will remain open at the current location during the closure week. Items can be returned to the bookdrop or to any other AVRL location.

The "Mad Science: Fire & Ice" program, scheduled for Tuesday, August 9, will be relocated to the Upper Recreation Centre at 354 Main Street, next to Town Hall. Participants in the Summer Reading Club will be able to pick up Fast Passes and other prizes at any AVRL location, including the Bookmobile.
