Summer Reading Club is back

Berwick, Nova Scotia: Every summer, library staff gear up for the Summer Reading Club. This year, we are proud to present "Book Club 150, Summer Edition" for all ages.

Since 2005, Upper Clements Parks has been a major sponsor of our program by donating free Fast Passes to participants (0 to 16) who complete the Club activities. Oaklawn Farm Zoo offers two days in the summer when kids (18 and under) get in free with their library card. Adopt-a-Library has given us books and a bike to give away, and Nova Scotia Provincial Library and the Nova Scotia Library Association have helped provide great cultural events. Keep your eye on the library this summer, because we have lots of great activities planned!

For children up to age 12, we have a summer learning experience designed to keep your kids' brains active all summer long.

Teens (ages 12-16) can get in on the fun, too. Teens can enter to win great prize packs, get a Fast Pass and a ballot to win our Grand Prize, which is a Huge Pile 'O Gift Cards. We'll have teen activities such as crafts and BreakOut Rooms this summer.

And why should kids get to have all the fun? Adults (ages 17+) can play along. Visit the library to pick up a reading card and a couple of books to get started. You'll have a chance to grab another card from one of our community locations and enter again. We've got some pretty sweet prizes for adults who want to show their reading prowess.

Our Book Club 150 continues throughout the summer; we'll have contests, author visits, and more. Put the library on your summer destination route for learning, fun, entertainment, and prizes!

Visit our website for more info. The fun starts June 26th, 2017!
